Undergraduate *Full Time Equivalent* (FTE)'s are full-time students + the total part-time credit hours / 12. Graduate FTE's are full-time students + the total part-time credit hours / 9, as of the official Fall Census date

* The five year percentage change represents the most recent and earliest year compared against each other, not the most recent compared against a five year average.

**Duplicated counts of undergraduate students in the Schools began in 2015.
